Viewing wildlife from a distance is important for both your safety and the animal's. If your presence changes their behavior, you are too close! For more information, please download our free WildCard app. For more information, visit [cpwinfo/WildCard](http://cpwinfo/WildCard) or [cpwinfo/WildCard](http://cpwinfo/WildCard).

Observar la vida silvestre desde la distancia es importante tanto para tu seguridad como para la del animal. Si tu presencia modifica su comportamiento, estás demasiado cerca! Para más información, visite la vida silvestre de tu zona, visite [cpwinfo/WildCard](http://cpwinfo/WildCard) o [cpwinfo/WildCard](http://cpwinfo/WildCard).

**LA DISTANCIA ALIMENTA**

**Distance makes the heart grow fonder.**

**KEEP THEM WILDCARD**

Keep Love of Wildlife Long Distance

Amar la vida silvestre a larga distancia

Share how you use your WildCard [#WildCard](https://www.instagram.com/cpwinfo/WildCard)

**INSTRUCTIONS / INSTRUCCIONES**

Extend your arm holding this card and use the window to determine a safe distance between you and wildlife. You are at a safe distance if the animal completely fits in the window.

Extiende el brazo sujetando esta tarjeta y utiliza la ventana para determinar la distancia de seguridad entre tú y la vida silvestre. Si el animal cabe completamente en la ventana, estás a una distancia segura.

**FOLD LINE**

**330 FEET OR MORE (100 M)**
